

FELLOWSHIP LRP SESSION

May 12, 2014

- Fellowship
- Inviting
- Friendly
- Intergenerational
- Painted Kitchen, Renovate kitchen
- Need a dishwasher
- Need more members on the Fellowship Board – need a full committee
- Use of technology – better ways to communicate functions – better ways to get people to sign up. Improved ways to RSVP, (instead of just coffee hour), Communication needs to be improved.
- Better ways to communicate volunteer opportunities, (perhaps Volunteer.Spot)
- Food every Sunday at Coffee hour
- Vestry should be neater, updated, cleaner
- Wish someone would vacuum the vestry every week
- Need new tablecloths
- New curtains in the vestry
- New traffic flow for coffee hour – better location for coffee station, (perhaps a new kitchen would solve that)
- Choir room location is detrimental to Fellowship serving coffee
- More Fellowship opportunities with the community and other churches or organizations
- Wine/Beer should be allowed at church functions
- The vestry needs to be prettier
- If the vestry was more functional, could be rented out as a venue for income
- Need new silverware, (but first, Dishwasher)
- If there was a dishwasher, we could use less paper and be greener
- People who use the refrigerators should keep them cleaner and cleaned out
- We could use a vehicle to pick up people who need rides on Sunday morning or for church functions/events
- If another board is providing food for a function, they should communicate that to the Fellowship board
- Need new bathrooms
- Need a living room space, (weddings, funerals, meetings with Pastor)
- Showers for overnight stays, (work camp stays at churches while on the road, we could reciprocate if we had showers)
- We should pay a person to keep the church picked up and cleaned, vacuumed, dusted, etc.
- Fellowship needs access to basic supplies, (trash bags, paper towels). These things are locked up by the Sexton, and Fellowship can't get to them during functions
- Updated music during worship to appeal to younger families/youth
- Coffee hour should be a safe haven, not a time to ask people for things, (to serve on boards, etc.)
- There seems to be a small group who does everything. How do we fix? We keep asking the same people to do everything
- Parking

- Gas Fireplace
- Bell Choir
