- Act more as role models for residents
- Tie into Access Ministry---is Rust House fully accessible?
- Tap into HCC members who don’t attend church or aren’t part of other ministries---the RH ministry is not like others
- A web based “bid on” system---HCC ministries need/ HCC members are interested in helping out/doing
- Another house
- Assist for life
- Adopt an agency for Outreach
- More focused Outreach
- Involve college grads in Outreach
- More inter-generational work together/serve together---“hems for haircuts” idea
- Go to where HCC members are—church is everywhere
- HCC structure overall---meetings? Training?
- Celebrate the quiet doers
- A theme or values “week” ---or an agency or a need
- Service “camps” locally and for many
- Collaborate with service agencies—offer advice (fund raising, marketing, Board seats, etc.)
- More “food brings fellowship” times at HCC
